[Gavin Brown's Enterprise](#)

291 Grand Street
New York, NY
10002

Among the forceful spirits of today's downtown underground art scene is painter Brian Belott, known for his remakes of amateur-artist art and his own incredibly gnarly brand of eccentric abstraction. Belott corrals like-minded painters to ape the styles of others: EJ Hauser's magical evocation of Marsden Hartley, Gina Beaver's succulent van Gogh landscape, and more.
